

## Create a Learning Path

**Purpose:** Creating a learning path in Workday can help you organize content that you wish to view at a later time into various categories. The Watch Later Worklet also allows you to quickly save content for viewing at a future time and is accessible from the main Learning page.

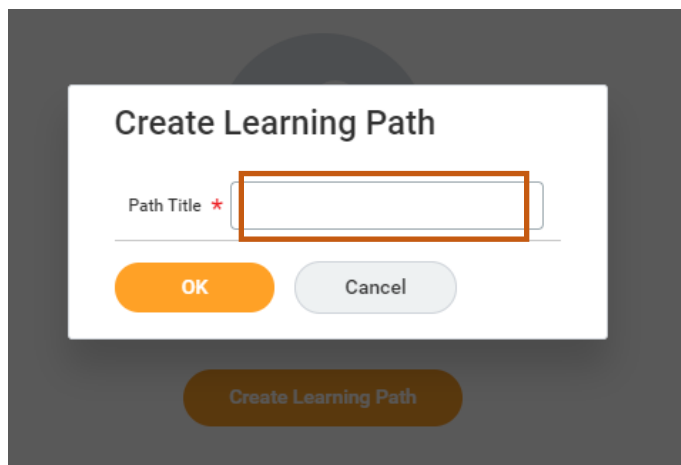

1. Once you are in the Learning Application, click on **My Library** under the **Learn** menu.

The screenshot shows the 'Learning' application interface. On the right side, a 'Learn' menu is open, listing options like 'Topics', 'Browse Learning Content', 'My Library' (highlighted with an orange box), 'More (4)', 'Progress', 'In Progress', 'Not Started', 'Learning History', 'My Transcript', 'Dashboards', 'Instructor Dashboard', and 'Assessor Dashboard'. The main content area is divided into several sections: 'Required for You' (featuring 'Programmer to Secure Agile Programmer Track 1'), 'Continue Learning' (featuring 'Innovation and Creativity', 'Digital Transformation', and 'Staying Balanced in a Shifting World'), 'Watch Later' (featuring 'Staying Balanced in a Shifting World', 'How to Manage Difficult Conversations', and 'Writing E Instant M'), and 'Recommended for You' (featuring 'Salesforce Chatter for Lightning: Sharing', 'Salesforce Chatter: Communicating with Other', and 'Develop Your Car').

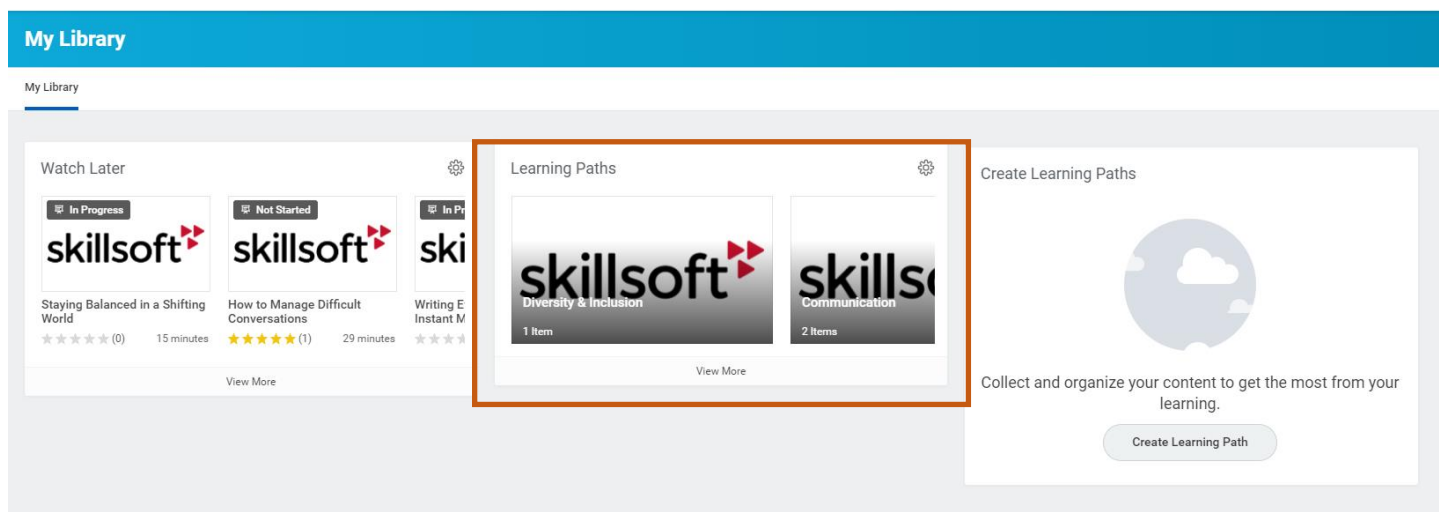

2. Click on **Create Learning Path**.

The screenshot shows the 'My Library' page. On the right side, a 'Create Learning Paths' section is visible, featuring a cloud icon and the text 'Collect and organize your content to get the most from your learning'. A 'Create Learning Path' button is highlighted with an orange box. The main content area is divided into two sections: 'Watch Later' (featuring 'Staying Balanced in a Shifting World', 'How to Manage Difficult Conversations', and 'Writing E Instant M') and 'Learning Paths' (featuring 'Diversity & Inclusion Health/Fitness Leadership Summit' and 'Communication').

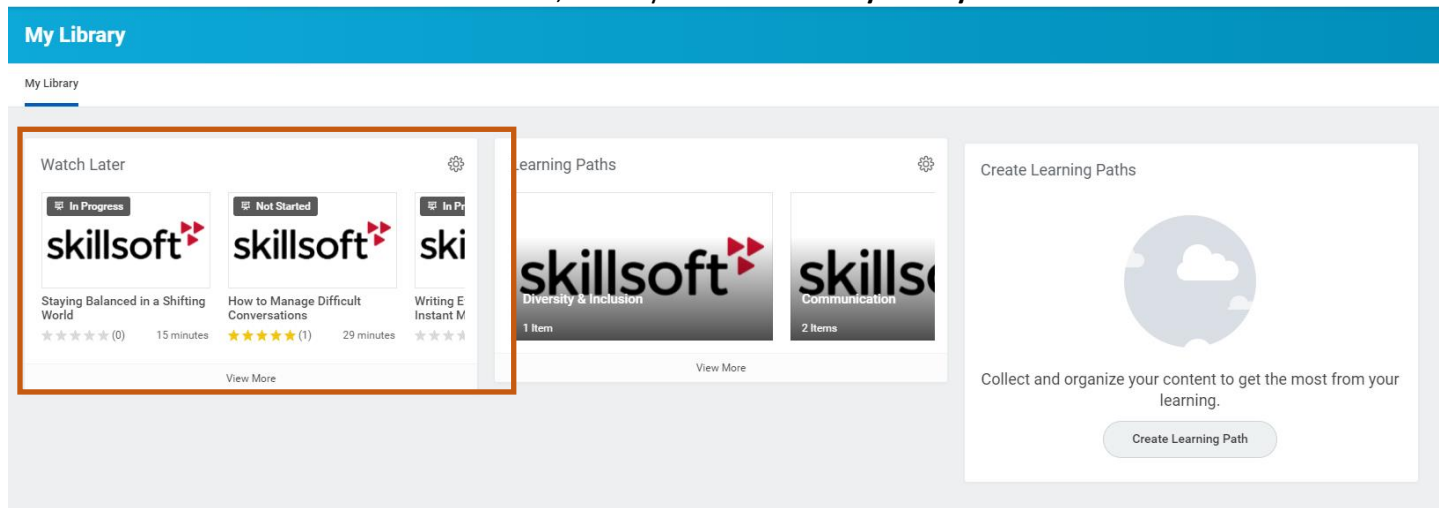

3. Type the name you wish to give your Learning Path in the **Path Title** box and click **OK**.

4. You can create multiple **Learning Paths** to save content for future viewing or repeat viewing.

5. You can add items to the **Watch Later** worklet, which you can view in **My Library**:

You can also view the **Watch Later** worklet on the main Learning page:

- When you find content you want to add to your **Learning Path**, click on **Save**, and **Save Course To** either **Watch Later** or any of the **Learning Paths** you have created or you can **Create a New Path**.

7. The content is now available in the **Diversity & Inclusion** Learning Path that can be found in **My Library** under the **Learn** menu within the **Learning Application**.
